Tatts Cox Plate Day

Saturday 23 October 2010

MAJOR SPORTING EVENTS ACT (2009)

Major Sporting Event Order - Event Area

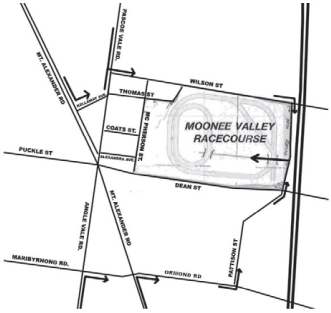
Take note that under the Major Sporting Events Act 2009 (the Act) the road enclosures bounded by Pascoe Vale Road, Dean, McPherson and Coats Street (including streets, avenues and lanes within) form an Event Area on 23 October 2010.

In the Event Area, it is an offence to possess prohibited items including (but not limited to) unauthorised alcohol, dangerous goods, distress signals, firearms, horns or bugles, whistles or loud hailers, public address systems, broadcast equipment or any items which are in such a quantity that those items are to be used for commercial purposes.

Authorised Officers including Police may take action against a person who commits an offence. This may include directing the person to leave, issuing a fine or commencing court proceedings.

Authorised Officers, including Police, have the right to request a person to surrender a prohibited item and to ask to inspect the contents of a person's bag or pockets. Police may confiscate prohibited items.

The major sporting event order also applies to the event venue (the racecourse). The full range of crowd management provisions of Part 4 of the Act are in force at both the racecourse and in the Event Area.



TRAFFIC ARRANGEMENTS

Restricted vehicular access will apply to McPherson Street, Alexandra Avenue and Coats Street between 6am and 8pm.

McPherson Street will be closed to vehicles between Coats Street and Alexandra Avenue with the exception of emergency services and vehicles displaying accepted passes.

Members and other patrons without special car park passes will be required to park in the racecourse infield.

Patrons are advised to avoid vehicular access via the Moonee Ponds junction. Entry into the racecourse infield should be via Ormond Road onto Pattison Street or via Wilson Street.
